**August 30, 2024**

Thank you for choosing OccuHealth for your professional services.

There is a form to provide information on the company and individuals to be tested. It is important that we have accurate spelling.

As soon as we receive your updated information, we will add your company to the OccuHealth Billing System. Once an employee presents for services, an invoice will be generated. At the end of each month these invoices and will be sent out. Our terms for billing are to receive payment within 30 days of the date of statement.

Single services like Drug Screening and Immunizations can be done on a Walk-In basis, however medical services like physical exams will need to be scheduled.

Thank you for choosing OccuHealth for your services. We take pride in the attention to detail and close communication with each of our clients. Please contact us at (541) 677-7477 if you have any questions or concerns.

Drug Screening options are as listed below:

Instant-We have two options for urine drug screening on an instant level.
